

# Babyz Archive: Cheats + Hidden Gems

## Dancing Cheats

- ☞ Name one of your files in the Resource/Songz folder "disco" and they will disco dance to that record
- ☞ Rename one of your babyz to "Travolta" and they will disco dance to any song (The Babyz Menu > Rename Babyz)

## Feed Two Babyz at the same Time

- ☞ Drag the highchairs, one on top of the other, and you can feed two babyz with one bottle at one time!

## Hidden Playroom

- ☞ In your game, press CTRL and P to get the hidden playroom

## Hidden Toyz

- ☛ Before loading your game, press CTRL and SHIFT, then click the icon to load your game.
- ☛ You will get a big teddy in the playroom, magnets and a plant in the kitchen, a plant in the living room, and stuffed doll in the attic!

## Reset Registry

- ☛ Sometimes you might need a gentle reset, just press CTRL, SHIFT, C when loading your game
- ☛ A harsher reset, like if your game keeps crashing, requires you to dig into the registry files but should be avoided ([more help here!](#))

(no pic for this one!)
